## Periodic Pains.

Dr. Miles' Anti-Pain Pills are a most remarkable remedy for the relief of periodic pains, backache, nervous or sick headache, or any of the distressing aches and pains that cause women so much suffering.

As pain is weakening, and leaves the system in an exhausted condition, it is wrong to suffer a moment longer than necessary, and you should take the Anti-Pain Pills on first indication of an attack,

If taken as directed you may have entire confidence in their effectiveness, as well as in the fact that they will leave no disagreeable after-effects.

They contain no morphine, opium, chloral, eocaine or other dangerous drugs.

Dr. Miles' Anti-Pain Pills are sold by your drugglet, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind

ion in the building of toys for hi hildren. This is a pleasant and harm less pastime. Meanwhile there are it Russia many children whose father will never return to make toys fo

The state supreme court refused to grant the application for a writ of habeas corpus for the release of Lee DeFord, the Altamont bank cashier from the penitentiary, where he is serving an eight-year term for receiving money when the bank was in a failing condition. He was sentenced to serve two years on each of four counts, and he sought to be released, having served 18 months, under the provision of the three-fourths rule, his rison conduct being good. This would have given him liberty for six months when he would have been returned to the prison to serve another 18 months and so on, until all four sentences had been curried out. As the second sentence, however, under the statutes, begins immediately upon the expiration of the first, he has already entered upon its service, and must remain in the prison six years, getting the time off allowed for good behavior all in one There are efforts now being made to have the governor either pardon him or reduce his sentence by commuta-

MISSOURI NEWS.

Novel Case Decided.

A Physician Burned to Death. The drug store of Dr. Ira Smith of Austin, Coss county, was descroyed by fire recently, and Dr. Smith was burned to death. Dr. Smith was seen in the building shortly before the fire broke out carrying a lighted lamp. It is supposed he fell and the burning of from the lamp ignited the building The coroner's jury returned a verdict that he came to his death through accident. The store of H. C. Crum absosurned. Dr. Smith was which known throughout Cars and Bates countles where he practiced medicine for 27

An Eight Weeks' Form Course. The college of agriculture of the University of Missouri has arranged to offer an eight weeks' course in practical farming for the benefit of those who cannot spare the time for an extended course of study. The branches to be taught are agriculture, with special reference to plant production; animal husbandry and dairying. Instruction will begin January 4, 1906, No examinations are required for entrance to the short course. Any person more than 16 years old is permitted to

Got \$100 for Her Halr. Bertha Fellback, a bandry girl employed during last July by the Sliver Laundry and Towel company, of Kansas City, brought suit for \$500 damages in the circuit court alleging that acid leaking through the floor above where she worked fell upon and relined her hair. The case was settled an hour after filing, the defendant company agreeing to pay Miss Fellback \$100 and the cost of the suit.

A Smithville Pailuce. R. Shafer, who has been in bustness at Smithville more than 25 cears and owns two large stores there, one in Edgerton and one in Camden Point has made a voluntary assignment. The assets are about \$25. 600 and the limbilities between \$50,000 and \$60,000. Swofford Bros. of Kansas City are the largest creditors, having

SAD SCENE ON ISLE.

TRAGIC SEQUEL TO WAR RO-MANCE ON SAKHALIN.

Physician Long Separated from Wife Goes to Island to Rejoin Her Only to Find That She Has Been Smuggled Away.

London.-A romantic incident and ts tragic sequel are told in connection with the capture of Sakhalin by the Japanese. The first thing they did was to liberate the Russian political prisoners who were on the island. A Russian, now in London, when interriswed, said that as far as was known there were about a dozen such prisoners, together with a number of

"The saddest case," he says, "was, perhaps. Mme. Walckenstein, the young wife of a doctor who was conerned in the political movement of 1879-80, called the 'People's Will.' Seized one night by the police, she disappeared into the gloomy jaws of the Schlusselburg, that dread fortress on he Neva. Once inside all trace was ost by the friends of the prisoner. No inquiry of the heartbroken relatives was answered.

"The young husband's frantic appeals for news of his wife were scorned. Stiffing his impatience as best he might, the young doctor waited for a year, for once a year the rules of the Schlusselbur; permitted the prisoner to write one open letter. The letter never came. The privilege had been withdrawn by the governor for some trivial offense. Try as they might to keep the rules, there was always something that allowed the jailers to report prisons as for insubordina tion, and so preserve the allence of death that enveloped the Island fort ress. But we have means of getting intelligence and every few years we learned who had been executed or uled, and who still dragged out the rrightful existence in the cells of silence of that ghastly prison. Twen-

"in 1900 we heard that Mme. Walckenstein, Tregoni, Puroffski, Jabaioff, and about eight others were being sent o Sakhalin for the rest of their lives, if life it could be called, each one aut fering from incurable Illness caused by the miasmas of the Schlusselburg Dr. Walekenstein journeyed across that dreary waste, thousands of miles on roads ill made-there was no railway then-and saw his wife, the wife he had loved all these years. BOY'S RACE IS A PUZZLE. renchman Bewildered Over a Lost Youth in Paris - Belongs to "Agraches," He Says.

Now at this day comes the plaintiff herein by her attorney, F. M. Carter, and files her petition and affidacylt, alleging, mong other things, that defendant, John Brannam, is not a resident of the State of Missouri. whereupon it is ordered by the clerk of this Court, in wacation, that said defendant be notified by publication that said defendant be notified by publication that said defendant be notified by publication that plaintiff has commenced a suit against him in this Court, the object and general nature of which is an actionfer divorce on the grounds of abandonment and desertion.

And that unless the said defendant be and appear at this court, at the next term thereof, to be begun and holden at the court house in the City of Farmington, in said county, on the lith day of November, and on or before the first day of said term, or before the last day of said term, answer or plead to the petition in said cause, the same will be taken as confersed, and judgment will be rendered accordingly.

And it is further ordered that a copy here. Paris.-A young vagabond, recently arrived from some mysterious place in America, is giving the police magis trates great trouble on account of the fact that they cannot understand a word of his speech nor he of theirs.

The boy is about 18. He has drawn crude pictures to indicate that he was brought by his mother first to Boston and then across the ocean, and then described by his mother on reaching Paris. Through continued repetition of certain words the magistrates think 'he boy wishes to say he belongs to the "Agrache" race, but no Parislan interpreters have yet been able to discover to what family his language be-

French savants begin to believe he comes from some Polynesian island and has drifted across America and so to Paris. The police are looking for

## Every Niece and Nephew of Uncle Sam

should be deeply interested in what he has said about soda crackers, because they are the one food with which all of

Uncle Sam has given out figures showing that soda crackers are richer in nutriment and body-huilding elements, properly proportioned, than any food made from flour.

This is saying much for common soda crackers, and much more for Uneeda Biscult, because they are soda crackers of the best quality. They are baked bettermore scientifically. They are packed better-more cleanly. The damp, dust and odor proof package retains all the goodness and nutriment of the wheat, all the freshness of the best baking, all the purity of the cleanest bakeries.

Your Uncle Sam has shown what food he thinks best or his people. His people have shown that they think Uneeda Biscuit the hest of that food, nearly 400,000,000 packages having already been consumed.
